### Old Business:

- a) The trail maintenance reimbursement has been submitted to the DNR. Thank you to all our volunteers for all of their hard work.

### New Business:

- a) An ad was placed in the Daily Mining Gazette requesting contractors to bid on the grading job to be done on the Mandan Loop. The grading has to be done yearly per our land permit agreement with the landowner.
- b) There will be a section of trail B by Silver Mine to Camp 7 with active logging. Please drive slow and watch for logging trucks. The logging company agreed to keep the trail open for now so please be cautious and watch for trucks so the trail doesn't need to be closed.
